Healthy Choices, Healthy Relationships Memorandum of Understanding

The Dibble Institute through a federal grant 90FE0024/04 with the Administration for Children and Families and the Los Angeles Unified School District is providing youth relationship curriculum, training, and materials to selected schools as part of expanding the number of young people learning healthy relationship skills.

_____ of _____
(Name) (Name of School)

agrees to deliver the Healthy Choices, Healthy Relationship curriculum to a minimum of 30 high school aged students. The curriculum will be delivered with fidelity and instruction will be a minimum of eight hours.

As part of the award it is important that accurate records be maintained and reports submitted in a timely manner. I agree to complete the teacher's evaluation and retain the student attendance roster.

In order to comply with federal reporting requirements, all instruction must be completed and reports submitted to The Dibble Institute by June 15, 2010.

Student participation in the Healthy Choices, Healthy Relationships program must be voluntary. Should a student object to the curriculum offered, alternative accommodations will be made for that student.

Selected instructors may be asked to host a site visit. Any such visit will be coordinated between the awardee and The Dibble Institute.
